

# ALL-ROUNDER LAPTOP FOR EVERYDAY USE

Lenovo

**Feature-Packed and Affordable:** E41-50 comes with all the features of a notebook required for daily use and that too at an affordable price.

**Great Performance:** A reliable Intel processor handles even the most intensive tasks, and the 14" anti-glare FHD display makes it easy on the eyes under any lighting conditions.

**Go-anywhere Portability:** Weighing in at just 1.5kg with a powerful battery, lets you work anywhere, all day long.

**No Compromises:** Three USB ports (One USB Type-C), Lenovo's user-friendly AccuType keyboard, a camera for video chats, and much more make this a great everyday performer for anyone.

## Lenovo E41-50 LAPTOP

All the notebook features you need for your business needs, but light on the pocket. This versatile, portable (starting at 1.5kg) notebook features a bright 14" anti-glare FHD display and a proven latest Intel processor that can handle daily workloads.

Three USB ports (One USB Type-C) ensure you're always connected and the powerful battery ensures you're always 'on'. This is one versatile, affordable notebook that's always good-to-go.

### ITDM Benefits

#### Portable:

built to be portable for remote workers or frequent travelers who need a highly portable, go-anywhere notebook.

#### For Schools:

Students who need an easy-to-carry notebook that is as good at handling schoolwork as it is at playing music and videos.

#### Reliable for Everyday Business:

Anyone looking for a feature-packed, all-round laptop at an affordable price.
